

Pinot Nero Riserva

Style, elegance, uniqueness, excellence: these are the key features that make this wine stand out.

Pinot noir is the grape to which Edoardo Miroglio has dedicated a great deal of his energy. This is due to both his personal passion for this variety, and to his awareness that producing a great pinot noir is the holy grail for vignerons throughout the world.

This wine combines the elegant style of the wines of Burgundy with the bold character of wines from Bulgaria in a wonderful meeting of two distant worlds.
